

Angel & Me

**D**

Angel and me - we make two - Wherever I go - what I do,

**A G A D**

People say, "I saw Angel and you".

(Verse 1)

Down the road - up the street - In the park - taking a seat,

**A G D**

That's Angel and me - ain't that sweet.

(Verse 2)

Out on the town or in the city - She's my pet and she's so pretty,

**A G D**

Angel and me - it's a doggone pity.

(Rise 1)

**G****D**

Everyone says she's so fine - I'm so happy she's all mine,

**A G A D**

Angel and me - together all the time.

(Chorus)

(Verse 3)

Having a bath - blow drying her hair - Talking baby talk with gentle care,

**A G D**

That's Angel and me - yes we're a pair.

(Rise 2)

**G**

See, Angel's my life - she's filling my dreams,

**D**

She's everything but it's not as it seems,

**A G D**

Cause Angel is just - my little puppy.

(Chorus)

(Rise 3 &amp; resolve)

Angel is black with four white feet - She's a border collie and very sweet,

**A G D**

Yes Angel and me - ain't that sweet.

**A G D**

Yes Angel and me - ain't that sweet.

(Chorus - repeat &amp; fade)
