

Difficult Women

(Verse 1)

G I've had my life of livin', I don't know why but I've been given, **C**
D Twenty years of undenied - totally unjustified - Difficult Women. **C D G**
C
D Seems their kind is all the same, Hard to please and not to blame, **C D G**
C
D Excuse the line but I just find their typical - Difficult Women.

(Chorus)

C Difficult Women - Typical Women - I've done no crime - I've done my time, **D**
C D G
 I'm only livin' with Difficult Women.

(Verse 2)

G I've about had my fill of fairly unfair female will, **C**
D As long as it always goes their way, And they always have their say,
C D G
 They're negotiable - Difficult Women.
C
D I guess I'm what you might call burned, And the lesson that I've learned,
C D G
 Is that they're typical, non-negotiable, Difficult Women.

(Chorus)

(Verse 3)

G I don't know if God intended - in the garden when he ended, **C**
D Man's peace on earth - the moment he gave birth to - Difficult Women. **C D G**
C
D Seems the grass is always greener - their view of life is meaner,
C D G
 In a sociable world - they are sociable girls - They are Difficult Women.

(Chorus)

(Wrap up)

D Typical, undenied, totally unjustified, non-negotiable, anti-sociable, animal -
C D G
 Difficult Women.
C Difficult Women - Typical Women - Typical Women - ah they're Difficult Women. **D C D G**
