

## Hear the Lion Roar

(Chorus)

**G** **D** **D7**  
 Stand up, Stand up - Make the world a better place,  
**D** **D7** **G**  
 Heads up, Heads up - Be the leader of the race,  
**D** **D7**  
 Who are you? - What are you standing for?  
**D** **D7** **C** **G**  
 Fix your light in the sky and hear the lion roar.

(Verse 1)

**G** **D** **D7**  
 In this world as you know there is bad and there is good,  
**D** **C** **G**  
 And sometimes things don't turn out like they should  
**D** **D7**  
 But you have to keep on going and reaching for a star  
**D** **D7** **C** **G**  
 Lift your life, lift your heart and raise the bar

(Chorus)

(Verse 2)

**D** **D7**  
 We can sit back in life and never do a thing,  
**D** **D7** **C** **G**  
 We can say it's not my problem - ignore the suffering,  
**D** **D7**  
 Or we can shine our light even in the brightness of day  
**D** **D7** **C** **G**  
 And show to others there is a better way.

(Chorus)

(Verse 3)

**D** **D7**  
 There are times in life when we get the chance  
**D** **D7** **C** **G**  
 To have our voice heard and be the leader of the dance,  
**D** **D7**  
 So find your voice and sing this song  
**D** **D7** **C** **G**  
 Sing it loud and sing it strong

(Chorus x 2)
