

I don't want to be bossed around

(Verse 1)

G **C** **G**
 I don't want to be bossed around - I'd rather be lost than found,
D **D7**
 If you can't get along with me this way,
C **G**
 then - ah ah - honey - you don't have to stay,
D **D7**
 Keep it simple - set the record straight,
C **D** **D7**
 If you're gonna change the world - it's the going rate.

(Verse 2)

G **C** **G**
 And I don't want to be bossed around - I'm the king without a crown,
D **D7**
 If one day babe you want to be my queen,
C **G**
 then - ah ah - honey - don't go getting mean,
D **D7**
 You can take it or leave it - there's only one rule,
C **D** **D7**
 I'm the boss of this kingdom and nobody's fool.

(Verse 3)

G **C** **G**
 And I don't want to be bossed around - I don't want to be trampled in the ground,
D **D7**
 If it comes to the time - I don't have no say,
C **G**
 Then - ah ah - honey - this is not my way,
D **D7**
 I'm out of here quicker than a lightning strike,
C **D** **D7**
 A rock solid principle and that's what I like.

(Repeat 1st verse)

C **G**
 I don't want to be bossed around,
C **G**
 I don't want to be jigged around,
C **G**
 I don't want to be messed around,
C **G**
 And I don't want to be bossed around.
