

I just want someone to hold

(Chorus)

G **C G** **C G**
 I just want someone to hold - bring me out from the cold,
D
 Someone to feel - someone to heal,
G **D**
 A little bit loving and a little bit real,
G **D** **G**
 I just want someone to hold.

(Verse 1)

G **C G** **C G**
 They met by complete surprise - no smooth talk or white lies,
D **C** **D**
 Just a friendship out of the blue, And as if right on cue, he said,
C **D**
 "There's something I'd like to talk to you."

(Chorus)

(Verse 2)

G **C G** **C G**
 She was quiet and subdued - had he been too forward - a little bit rude,
D **C** **D**
 He talked of life and its game - fortune and of fame,
C **D** **G**
 And she said, "I've been through the same".

(Chorus)

(Verse 3)

G **C G** **C G**
 Life's not easy to live as one - each soul has its own need for fun,
D **C**
 It's not intended to be alone - out on your own,
D
 Living on the end of a phone.

(Chorus)

G **C G** **C G**
 We all want someone to hold - bring you out from the cold,
D
 Someone to feel - someone to heal,
G **D**
 A little bit loving and a little bit real,
G **D** **G**
 You just want someone to hold.
