

I'm just fishing

(Verse 1)

D **G** **D**
 Working my life - making a living,
 A **D**
 Try to get it done so I can go fishing,
G **A** **D** **G**
 What matters most in the time that I'm given,
 A **D**
 Is getting things done - so I can go fishing.

(Chorus)

G **A** **D** **G**
 I'm just fishin' when I should have been workin'
 Em **A** **D** **G**
 What my wife don't know - ain't really hurtin'
 A **D**
 Yeah I'm just fishin' - I'm just fishin'.

(Verse 2)

G **D**
 Last night at the Bee Hive I left my knife behind,
 A **D**
 So - got to go back - I'll take another line,
G **A** **D** **G**
 It gets pretty cold - it'd make you shiver,
 A **D**
 But someone's got to do it - skinny-dippin' in the river.

(Chorus)

(Verse 3)

G **D**
 Some say where I go is mountain goat fishin',
 A **D**
 Walk so fast - some people go missin',
G **A** **D** **G**
 I'm always late home but I feed the family,
 A **D**
 And there's always some left over - my mum will agree.

(Chorus) x 2
