I've come a long way (in a very short time)

(Verse 1) G Am D G
I've come a long way in a very short time, C D G
Looking and lost and now I am fine, Am D G
You saved my soul - threw me a life line, Am C Am C D G
I've come a long way - yes a long way - in a very short time.
(Verse 2)
Am D G I've come a long way in a very short time,
C D G
The magic of your touch brought rhythm and rhyme, Am D G
I turned to you - I changed my view,
Am C Am C D G I come a long way - yes a long way - in a very short time.
(Chorus)
D Climbing up to the sun - to the light of the world,
Am
Minutes turn to years in a sort of a whirl, G Am C D G
I've come a long way - Yeah a long way - in a very short time.
(Repeat entire song from beginning)
Am C Am C D G I've come a long way - Yeah a long way - in a very short time.
