

Sitting at the bar of the hotel

(Chorus)

D A A7
 Sitting at the bar of the hotel
 D
 In a town that's so far away it could be hell,
 D7 G
 I'm missing you and I'm feeling blue,
 D A7 D
 So I'm sitting at the bar of the hotel.

(Verse 1)

D A A7
 I've been here a week at the hotel,
 D
 Came here because they were paying well,
 D7 G
 But the money I earn - I might as well burn,
 D A7 D
 Cause I drink it at the bar of the hotel.

(Chorus)

(Verse 2)

D A A7
 When I left you I said I'd be back to tell,
 D
 I've made a fortune and I'm doing well,
 D7 G
 But I'm sad to say it won't turn out that way,
 D A7 D
 Cause I drank it at the bar of the hotel.

(Chorus)

D A A7
 Sitting at the bar of the hotel
 D
 In a town that's so far away that I can tell,
 D7 G
 I'm missing you and I'm feeling blue,
 D A7 D
 So I'm sitting at the bar of the hotel.

(Chorus)
